Universities Implementing CBET

RE: VERIFICATION AND MONITORING OF SUMMATIVE PRACTICAL ASSESSMENT

TVET CDACC wishes to notify all assessment centres registered for July/ August 2026 assessment series that, the Council released industry practitioners to verify practical assessments and SDTVET officials to monitor the entire practical assessment exercise between 24th June and 31st July, 2026. Industrial practitioners shall be expected to contact your centre and request for a working summative practical assessment schedule before 3rd July, 2026.

All assessment centres have been assigned between one and eighteen industry practitioners based on number of registered courses and candidature for this series. The practitioners shall be expected to verify that the practical assessment meets industry standards, thereafter advice the centre on areas of improvement.

Assessment centres shall be expected to key in scores scored by the assessor and industry verifier on the date of verification to TVET CDACC portal, and then print the same from the portal, sign and stamp there after issue to industry practitioner. Assessment centres should also sign and stamp the practitioners report as a sign of acceptance of the current status of workshops and the entire practical assessment.

The verification exercise is scheduled to take place between 24th June and 17th July, 2026 for all candidates undertaking summative written assessment while for those undertaking modularized cycle 3 curricular levels 3 and 4, between 24th June and 31st July, 2026.

Should you not have received industry practitioner communication before 6th July, 2026, you are kindly requested to inform us through; pracverifictvetcdacc@gmail.com so as to follow up.

We look forward to your cooperation.

Prof. Kisilu M. Kitainge
CEO/COUNCIL SECRETARY
